

# We Are One

AngÃ©lique Kidjo

As you go through life you'll see  
There is so much that we  
Don't understand And the only thing we know  
Is things don't always go  
The way we planned When it seems all your dreams come undone We are more than we are  
We are one If there's so much I must be  
Can I still just be me  
The way I am? Can I trust in my own heart  
Or am I just one part  
Of some big plan? Your journey has only begun Is our pride, deep inside  
We are one Family, family, we are one  
Family, family, we are one One family under the sun You will find when you see  
We are one Family, family, we are one  
Family, family, we are one  
Family, family, we are one  
Family, family, we are one  
Family, family, we are one  
Family, family, we are one  
Family, family, we are one
