Don't Let the Music Die

Inna

Everybody falls in love and then falls down And I'm feeling so high, I'm feeling so high for you Everybody falls in love and then falls down And I'm feeling so high, I'm feeling for you Boy, I'm feeling for youDon't let the music die, don't have to feel alone You have to learn to say we'll be okay tomorrow Don't let the music die, don't have to feel alone I've got love and many reasons to love Reasons to loveEvery step that I take brings you closer In my dream, in my dream, in my dream Every step that I take brings you closer In my dream, in my dream, in my dreamEvery step that I take brings you closer In my dream, in my dream, in my dream Every step that I take brings you closer In my dream, in my dream, in my dreamDon't let the music die, don't have to feel alone You have to learn to say we'll be okay tomorrow Don't let the music die, don't have to feel alone I've got love and many reasons to love Reasons to love
