Gotta Say

Izzy Stradlin

Got another phone call
Tellin' me the words
Got another story for me to learn
Say the truth out walkin'
Walked right out my door,
I didn't try to follow,
'Cause I knew the scoreTell me what you gotta say
I see through you anyway
I think you have underestimated me
And tell me what you gotta say
I see through it anyway
I think you have once again
Never mind the weather, never mind your head
I know why you're callin' on me here today
Things are goin fine now
Yeah all is well I'd say
The one thing that troubles me is
When you call my name
Tell me what you gotta say
I see through you anyway
I think you have underestimated me
And tell me what you gotta say
I see through it anyway
I think you have once again
