Beyond

Wackor

Dream, beyond dreams
Beyond life you will find your song
Before sounds, to be found, close your eyes
Then rise, higher still, endless thrill
To the land of love beyond love
Come alive and you'll find
Forever watching you alive
You are the night, you are the ocean
You are the light behind the cloud

You are the end and the beginning
A world where time is not allowed
There's no such thing as competition
To find our way we lose control
Remember love's our only mission
This is the journey of the soul
The perfect song is framed with silence
It speaks of places never seen
Your home's a promise long forgotten
It is the birthplace of your dreams
