

# Beyond

## Wackor

Dream, beyond dreams  
Beyond life you will find your song  
Before sounds, to be found, close your eyes  
Then rise, higher still, endless thrill  
To the land of love beyond love  
Come alive and you'll find  
Forever watching you alive  
You are the night, you are the ocean  
You are the light behind the cloud

You are the end and the beginning  
A world where time is not allowed  
There's no such thing as competition  
To find our way we lose control  
Remember love's our only mission  
This is the journey of the soul  
The perfect song is framed with silence  
It speaks of places never seen  
Your home's a promise long forgotten  
It is the birthplace of your dreams
