

# Punch in the Face

## Frenzal Rhomb

Middle class white boys trying hard to annoy  
All we really needed is a ticket to ride  
Fighting with no-one at all that's ok  
We've got no balls  
Someone needs to sort us out  
And make benny cry All we need is a punch in the face  
Lary Emdur is OK compared to us  
He makes the grade  
Self-depreciation is important for some  
We deserve a beating can someone teach a lesson  
All that they'd be doing is just having some fun  
All we need is a punch in the face
