

Walk Heavy

China Styles

mmhmm mhmm
mmhmmm mhmm
I don't just walk through,
I walk heavy,
like blessings, pressure, and unpaid debt

uh uh uh uh uh, now move
I walk heavy
mhmmmm
I walk heavy
uh uh uh uh
mmmmmmmm ayyyyyy
uh uh uh uh uh
Walking, silence, drop
Neck on flex, wrist don't clap
They aint ready, I'm too rich in aura
Talking on the shit, y'all post captions
I post stats
Got broke once now they beg me back
I don't just pop, I ignite
Walks so mean they forget to fight
See I knew I newsworthy
Boss chick looking flirty
Smelling like a check clear
walking through your big fear
I walk heavy, no tiptoe
high class from head to soul
I don't chase, I get chose
I break necks in every row
I walk heavy, yeah that's me
Built from smoking victory
Better watch how your speak to me
when is walk through GOD parts seas

uh uh uh uh uh oh oh uh uh oh oh uh uh
GOD parts seas
They whisper names I speak loud, I don't do fans
I draw crowds
You dress dream, I birth looks

You got likes, I got books
I do deals, I break norms
I eat shade, I serve storms
I ain't freely, I'm factual
I walk like contracts actionable
My boss got bounce no filler
My grace got weight no filter
I step in eagles adjust
I'm the threat they never trust

This ain't a soft arrival
This ain't a 'hope they like me'
This is move or be moved
I don't walk light, I want perfetti
I walk heavy
Whole seed shake
Every meet I make is fake
Don't do fake, don't do free
I move with ancestry
I walk heavy on ten toes
Head high while blessing grow
Better learn how to address me
Come around
I walk heavy

The flaws, flaws
Flaws, flaws
Flaws, flaws

They said, "Who does she think she is?"
I walk heavy, ooh ohh
I say, oh "Exactly who I was built to be!"
mmhhmmmmmm
Don't get stepped on, mind blown
mmmmhhmmmm ayyyyyyyyyy
I walk heavy, heavy, heavy, heavy, heavy, heavy, heavy, heavy, heavy
I walk heavy, heavy, heavy, heavy, heavy, heavy, heavy, heavy, heavy
I walk heavy, heavy, heavy, heavy, heavy, heavy, heavy, heavy, heavy

I walk heavy
