

Please

[nelo](#)

How many times alone Iâ€™ve felt that Iâ€™m not okay- Iâ€™m not okay
Without the thought of all my friends and a love- I know a loveâ€™s embrace
For all the times I tried to see what was chasing me and holding me down
I count the nights stood sleeplessly, as the ceiling caught me staring

Iâ€™m waking up with one eye open to keep my dreams inside of me
And I, I do it so I might believe that thereâ€™s some escape to what I see
I catch a phrase to ease the pain, but it seems Iâ€™m still untying
I feel the age surround me now in this place Iâ€™ve felt a love somehow

And wonâ€™t you please come and stay a while?
Wonâ€™t you please relate?
And wonâ€™t you please come and lift me up?
Wonâ€™t you please, today?

Troubled thoughts a given sign from the loverâ€™s eyes that clouded mine
Iâ€™m finding broken thoughts tonight on the way I want to feel alive
I tried to say the blame should be on the man I see who isnâ€™t me
But now Iâ€™ve come to find only that this is me unraveling

And wonâ€™t you please come and stay a while?
Wonâ€™t you please relate?
And wonâ€™t you please come and lift me up?
Wonâ€™t you please, today?
And wonâ€™t you please come and stay a while?
Wonâ€™t you please relate?
And wonâ€™t you please come and lift me up?
Wonâ€™t you please, today?

Please
Oh, Please
