Right Where It Belongs

Nine Inch Nails

See the animal in his cage that you built
Are you sure what side you're on?
Better not look him too closely in the eye
Are you sure what side of the glass you are on?See the safety of the life you have built
Everything where it belongs
Feel the hollowness inside of your heart
And it's all right where it belongsWhat if everything around you
Isn't quite as it seems?
What if all the world you think you know
Is an elaborate dream?And if you look at your reflection
Is that all you want it to be?
What if you could look right through the cracks
Would you find yourself, find yourself afraid to see?What if all the world's inside of your head?
Just creations of your own
Your devils and your gods, all the living and the dead
And you're really all aloneYou can live in this illusion
You can choose to believe
You keep looking but you can't find the woods
While you're hiding in the treesWhat if everything around you
Isn't quite as it seems?
What if all the world you used to know
Is an elaborate dream?And if you look at your reflection
Is that all you want it to be?
What if you could look right through the cracks
Would you find yourself, find yourself afraid to see?
