Go Stupid 4 U

[Robin Thicke](#)

Oh, damn!
Oh, damn! (Oh damn!)
Ooh, damn! (Damn!)
Ooh, damn!Girl you know I'm looking at you
Something like an angel when you're walking on by
Sexy from the front, a-ha
Sexy from the back, a-ha
Grab my cardiac, oh my
Give a boy a heart attack call the ambulance
Girl I fell in love, a-ha
Give the boy a chance
And you know I wouldI can't stop girl
Every time you walking down the block
Dark and tanned and lovely
You're so hot girl, ooh
Girl I go stupid for youYeah I get stupid, get stupid
I know it I know it
I get stupid, get stupid
I show it, I show itWhen you're walking by my way
Every time I see you is a lovely day
And I can't get you out my mind girl
The first time I layed'em on you all I wanna do is singOh, damn! (Oh damn!)
Oh, damn! (Oh damn!)
Ooh, damn! (Oh damn!)
Ooh, damn!Girl I wrote a song about you
Designed a little part that reminds me of your ass
Sexy from the back, a-ha
Give me some of that, a-ha
Girl I'd love to sing your song
Girl I'd really love to sing all night long
On and on and on, for sure
It goes a little something like thisI can't stop girl
Every time you walking down the block
Dark and tanned and lovely
You're so hot girl, ooh
Girl I go stupid for youI can't stop girl
Every time you walking down the block
Dark and tanned and lovely
You're so hot girl, ooh

Girl I go stupid for youYeah I get stupid, get stupid

I know it I know it

I get stupid, get stupid

I show it, I show itWhen you're walking by my way

Every time I see you is a lovely day

And I can't get you out my mind girl

The first time I layed'em on you all I wanna do is singOh, damn! (Oh damn!)

Oh, damn! (Oh damn)

Ooh, damn! (Oh, damn!)

Ooh, damn!Yeah I get stupid, get stupid

I know it I know it

I get stupid, get stupid

I show it, I show itYeah I get stupid, get stupid
