

# 6 Minutes

Nick Jonas

Yeah, 6 minutes LFO, you're on  
I was at a party with my mind in the gutter  
She walked in behind me with a friend and her brother  
Stepped onto the dance floor shakin' her hips  
I thought I might bust when she licked her lips  
Sometimes I wish that I was someone like Brad Pitt  
She walked right over to me and then she say, hey we should split  
Sometimes I wish that I had a girl that looked that fine  
Not thinkin' about forever just 6 minutes of her time  
1 minute and the earth begins to shake  
2 minutes and my heart begins to break  
Another minute and she makes me feel brand new  
That's just 3 minutes with you  
4 minutes and she's got my on my knees  
5 minutes and she's got me beggin', please  
Another minute and she shows me somethin' new  
I need 6 minutes with you, 6 minutes  
I was at work with my mind in the gutter  
She was in a magazine, her face on the cover  
Lyin' in a room that was lit by a candle  
That's the type of girl that I wish that I could handle  
Sometimes I wish that I looked like Tom Cruise  
'Cause in a crowded room but I'd be the one that she would choose  
Sometimes I wish a girl like that could just be mine  
Not thinkin' about forever just 6 minutes of her time  
1 minute and the earth begins to shake  
2 minutes and my heart begins to break  
Another minute and she makes me feel brand new  
That's just 3 minutes with you  
4 minutes and she's got my on my knees  
5 minutes and she's got me beggin', please  
Another minute and she shows me somethin' new  
I need 6 minutes with you, 6 minutes  
Sometimes I feel like the, 'Catcher in the Rye'  
Sometime I wish that I could catch your eye  
Sometimes I wish that I could be that guy  
Yeah, yeah  
Whoa, time is passin' by  
Whoa, your [Incomprehensible]

Whoa, I'm losing my mind  
I need 6 minutes with you  
1 minute and the earth begins to shake  
2 minutes and my heart begins to break  
Another minute and she makes me feel brand new  
That's just 3 minutes with you  
4 minutes and she's got my on my knees  
5 minutes and she's got me beggin', please  
Another minute and she shows me somethin' new  
I need 6 minutes with you  
1 minute and the earth begins to shake  
2 minutes and my heart begins to break  
Another minute and she makes me feel brand new  
That's just 3 minutes with you
