Restless Dreams

Beseech

This is a story from a restless mind
A wicked mind
Bewildered worlds forms a meaning unknown
Unleash I lie

The letter haunts me and the silence appear
I stand alone
My body shivering when the hill calls my name
Changing shame

Trapped inside myself
Screaming to get out of here
Restless dreams of you
I am trapped inside myself
Screaming to get out of here
Restless dreams of you

Outless get weaker as the fog lies down
Crystal clear inside
The pyramid falls and my blood starts to flow
The lies was mine

Trapped inside myself
Screaming to get out of here
Restless dreams of you
I am trapped inside myself
Screaming to get out of here
Restless dreams of you
