

The Jesus Heart

At the Close of Every Day

do you trust
that you're loved
when grandpa told
he was getting old
but still he knew, he was loved

it takes a lot of sin
to be forgiven
'cause sometimes you
and everybody else is wrong
be still and know that you're loved

he was in love,
with the dear jesus of her heart
i am in love,
with the dear jesus of your heart

do you trust
that you're loved
when grandma told
she was getting old
but still she knew, she was loved

she was in love,
with the dear jesus of his heart
i am in love,
with the dear jesus of your heart
but i don't think you'd understand,
how the shadows still dim your eyes

your tears are heaven and hell as well
but it's heaven
quite amazing how it all fits your heart

but i don't think you'd understand,
how the shadows still dim your eyes

but i don't think you'd understand,
how the shadows still dim your eyes

but i don't think you'd understand,
how the shadows still dim your eyes

but i don't think you'd understand,
how the shadows still dim your eyes
