Love Invasion

Planet Of Zeus

I've been to hell,i've been to hell
and i turned back
i've been to hell
I've seen the world spinning around
i've been to hell and now i'm back

Lovin' invasion,lovin' invasion in my eyes
Hey little girl won't you come into my room

I'm waiting no more,i will wait no more
to take my chances
i will wait no more
You've got me crazy,you've got me so low
i'll take my chances and break your back door.

lovin' invasion,lovin' invasion in my eyes
Hey little girl won't you come into my room
