Blow Me a Kiss

Alice Cooper

Take one in the leg
(Think about your baby)
Take one in the side
(Think about your girl)Take one in the head
(Think about your mother)
Take one in the heart
(It's the end of the world)So blow me a kiss 'cuz I'm black
Blow me a kiss 'cuz I'm gay
Blow me a kiss 'cuz I'm shakin'
Say goodnight thenBlow me away
Blow me away, blow me away
Tell me what you're thinkin', tell me why
Blow me a kiss then blow me awayTake one in the face
(Think about your life)
Take one in the eye
(Think about your soul)Take one in the mouth
(Think about your savior)
Take one in the thigh
(Are you ready to go?)So blow me a kiss 'cuz I'm lonely
Blow me a kiss 'cuz I'm afraid
Blow me a kiss 'cuz you don't know me
Say goodnight thenBlow me away
Blow me away, blow me away
Tell me what you're thinkin', tell me why
Blow me awayI'm in my room, I'm Dr. Doom
'Cuz I'm not me, I'm someone else
Why should you die? Don't ask me why
You know it, you know it, you know it
Blow me awayI turn the page, I am the rage
I'm coming from a darker place
A much darker placeSo blow me away, blow me away
Yeah, blow me away
Tell me what you're thinkin', tell me why
Blow me a kiss then blow me awayYeah, blow me away
C'mon and blow me away
Tell me what you're thinkin', tell me why
Blow me a kiss then blow me away
