# You're The Reason

## John Fogerty

I lay here at night, toss and I turn
Lovin' you so, how my heart yearns
Honey, you're the reason I don't sleep at night
Just walkin' the floor, thinkin' of you
Smoke cigarettes and drink all day too
Honey, you're the reason I can't sleep at night
I'm bettin' you're not losin' sleep over me
But if I'm wrong don't fail to call
Come over and keep me company
Sometimes I go for a walk, look at the moon
Strum my guitar to some old lonesome tune
Honey, you're the reason I can't sleep at night
I'm bettin' you're not losin' sleep over me
But if I'm wrong don't fail to call
Come over and keep me company
Sometimes I go for a walk, look at the moon
Strum my guitar and sing out of tune
Honey, you're the reason I can't sleep at night
Honey, you're the reason I can't sleep at night
