Winter Wonderland

REO Speedwagon

Sleigh bells ring, are you listening?
In the lane, snow is glistening
A beautiful sight, we're happy tonight
Walking in a winter wonderlandGone away is the bluebird
Here to stay is a new bird
He sings a love song as we go along
Walking in a winter wonderlandHey, in the meadow we can build a snowman
And pretend that he is Leslie Brown
He'll say, are you married? We'll say, no man
But you can do the job when you're in town
Later on, we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderlandOh, and you can do the job when you're in townLater on, we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderland
We'll be walking in a winter wonderlandYeah, we'll be walking in a winter wonderland, oh yeah
Walking in a winter wonderland
We'll be walking, we'll be walking
Walking in a winter wonderland
We'll be walking, ain't gonna be running
We'll be walking in a winter wonderland
Walking, walking, walking in a winter wonderland
Walking, walking, walking in a winter wonderlandJust you and me
