

# Revenge

## Justin Faust

I'm the failure, I'm everyone's fool

And I'm losing my cool

At the end I'm the loser

My number's come up

I've been hung up with thoughts of revenge

Revenge, revenge

I watched you from my terminal view

As you struggled to rise to your end

I laughed hard at the insults we threw

As the weight of the world found revenge

Revenge, revenge

Have hatred and gravity won

The world hung upside down

I drew first blood

I drew first blood

With my hate for a crown

I drew first blood

I drew first blood, revenge

I watched heaven die here today

And I'm gonna die here tonight

I'm a villain, I deserve to be dead

I've been hung up for wrecking my life

Revenge, revenge

So I stopped for a moment

To look at the sun

And die in the day

That's when the irony hit me

This was revenge

That love had descended

And stolen our pain away

We consumed Heaven's Son

And I drew first blood

I drew first blood

And my hate was undone

I drew first blood

I drew first blood, revenge

Here's a story

How a thief had been robbed

How a murder had stolen my rage  
Think of me, Lord  
I'm a few breaths away  
As my lungs finally rip from the cage  
Revenge
