Seeing You This Way

Minnie Riperton

(m. riperton r. rudolph)La la la la la la la la la...Seeing you this way makes me feel so happy
Seeing you this way makes me feel so good
You come alive
You fill the world with magic
When you move this way
You fill the world with loveSeeing you this way makes me feel so happy
Thank you, thank you for your love
La la la la la la la la la la
I just wanna thank you
