

# Seeing You This Way

**Minnie Riperton**

(m. riperton r. rudolph) La la la la la la la la la... Seeing you this way makes me feel so happy

Seeing you this way makes me feel so good

You come alive

You fill the world with magic

When you move this way

You fill the world with love Seeing you this way makes me feel so happy

Thank you, thank you for your love

La la la la la la la la la

I just wanna thank you
