Keep On Ridin'

Uriah Heep

Keep on ridin' ...
By tomorrow morning
At the early dawn
I gotta hit the road
So long lady
Till another day, right now
I gotta be movin' on
There's another town and
The singer needs a song
I know you're on your own
I'll be back before too long
I gotta do what I gotta do
And you know how
My heart loves to run, I gotta ride
Keep on ridin'
Keep on ridin' now
There's a city waiting
And a railroad station
Where my face is known
And an old hotel
That I know so well

It's a little bit like home
It's a situation
Not of my own choosing
And though a gamblin' man
Would say that I was losing
I started out to win
And I'll do it again
I'm never givin' in
'cause if it comes down
To my heart, or to my pride
I'm gonna ride
Keep on ridin', keep on ridin'
Keep on ridin', yeah
Keep on ridin', keep on ridin'
And I know you say
I'm driftin', driftin' on a dream
You'd better watch your step boy

It may not be what it seems
I just can't shake
This feeling here inside
This heart of mine
Keeps tellin' me to ride, ride, ride
