

# My Life in the Suicide Ranks

## Tears for Fears

My life, my life in the suicide ranks  
My life, my life in the suicide ranks  
My life, my life in the suicide ranksMy life, my life in the suicide ranks  
My life, my life in the suicide ranks  
My life, my life in the suicide ranksI used to call it  
Are you still precious  
Love for your mother  
Wine on the carpet  
All in the breaks of dawn  
You'll find the widest, while you came  
That let the dress, angelMy life, my life in the suicide ranks  
My life, my life in the suicide ranks  
My life, my life in the suicide ranksLove me like a child  
No one tells me whyMy life, my life in the suicide ranksThank you for the help but  
Well, the high road is the low road  
Tell me, what do you think this is?Who know better all of a talk?  
Where the [incomprehensible]or the crow  
Will you hold me? Will you shake me?  
Will you think you're all alone'?  
Well you don't look for your health  
When the color of your skin'  
I will open so that'll break the light, let the darkness come in'My life, my life in the suicide ranks  
My life, my, oh  
Let us stop it[Incomprehensible]  
To my suffering!'
