

# If He Did It Before....Same God

Tye Tribbett

Verse 1:

I won't give in; No, I'm not gon' turn around.  
I know I win if I don't give up now.  
I am waitin' on my change to come in; I know  
He will come through.

(This is how I'm so sure)

Chorus:

If He did it before, He can do it again.  
Same God right now; same God back then.  
If He did it before, He can do it again (Yeah).  
Same God right now; same God back then.

Verse 2:

I've got power I know I will overcome.  
Greater is in me; that ain't fair 'cause I already won.  
And yes I may fall and get knocked to the ground.  
I know I'll rise up.

Verse 3:

Please be encouraged this is not the first storm you've been through.  
You've been through worse; you didn't come this far just to lose.  
He knows your needs, so take no thought for what you lost.  
God will restore.

(This is how I'm so sure)

Chorus:

If He did it before, He can do it again.  
Same God right now; same God back then.  
If He did it before, He can do it again (Yeah).  
Same God right now, same God back then.
