

Please Remember Me

[Tim Mcgraw](#)

When all our tears have reached the sea
Part of you will live in me
Way down deep inside my heartThe days keep coming without fail
A new wind is gonna find your sail
That's where your journey startsYou'll find better love strong as it ever was
Deep as the river runs, warm as the morning sun
Please remember meJust like the waves down by the shore
We're gonna keep on coming back for more
'Cause we don't ever wanna stopOut in this brave new world you seek
Over the valleys and the peaks
And I can see you on the topYou'll find better love strong as it ever was
Deep as the river runs, warm as the morning sun
Please remember meRemember me when you're out walkin'
When the snow falls high outside your door
Late at night when you're not sleepin'
And moonlight falls across your floor
When I can't hurt you anymoreYou'll find better love strong as it ever was
Deep as the river runs, warm as the morning sun
Please remember mePlease remember me
