

Nobody Like You

Limp Bizkit

Good I'm convinced that you hate
You hating me, you like
You like to see me cry
It's already a proven fact
That you hate and you wait
On me to die It's so scary, I find it hard to confine
I will make you, see it my way
You give, I take
You say you want to be away from me You bring me
I've got the reason and I don't wanna let go
Take me down
I've got the reason and I don't want you to know I'm convinced that you
Fucked me
Real good, you did
But I won't let it go
I got my reasons
And I'm not leavin'
Soon I'll wait, on you to die Please take this time for me to be unforgiven
I give my life to you
I lay my life on the line for you
For you, for you, for you You bring me
I've got the reason and I don't want to let it go
Take me down
I've got the reason and I don't want to know I got, got no
No reason
I got no, got no
I got, got no
No reason
No reason
I got no, no reason, I got no
No reason
No reason, I got no
No reason
I got no
No reason
I got no
No reason
I got no
No reason
I got no
No reason You bring me

I've got the reason and I don't want to let it go
Take me down
I've got the reason and I don't want to knowGo
I've got the reason
Go
I've got the reason
Go
I've got the reason
...
