

# Disappointment

## disbalanced reflection

Disappointment you shouldn't have done  
You couldn't have done  
You shouldn't have done  
The things you did then  
And we could've been happy  
What a piteous thing, a hideous thing  
Was tainted by the rest  
But it won't get any harder  
And I hope you'll find your way again  
And it won't get any higher  
But it all boils down to what you did then  
In the night we fight, I lied you're right  
It was exactly then  
I decided  
And drew you out  
In the night we fight, I lied you're right  
It was exactly there  
I decided  
But it won't be any harder  
And I hope you'll find you way again  
And it won't get any higher  
But it over boils down to what you did then  
Disappointment
