

# Telluride

## Tim McGraw & Faith Hill

When I was nineteen I threw my stuff in the car  
Headed up to the rockies, got a job at this bar  
Sellin' beer to the locals, just barely gettin' by  
On the tips from the rich kids there on daddy's dime  
But when I saw her walk in one night  
I knew that I'd be alright inChorus:  
Telluride  
The snow fallin' down  
I was waking up in that sleepy little town  
In her eyes my world came so alive  
I never will forget the moment she arrived in Telluride  
We spent that whole winter tangled up by the fire  
Castin' shadows on the cabin wall drownin' in desire  
Confessin' all our secrets, laughin' out loud  
So high up on that mountain, I thought we'd never come down  
It was a dream we were livin' in  
I was the happiest I'd ever been in ...Chorus:Telluride  
The snow fallin down  
Waking up with her in that sleepy little town  
In her eyes my world came so alive  
I never will forget all those sleepless nights in TellurideIt ended just like a movie scene  
And I had to play the part  
Of the lover who stood there and watched her leave  
And me with a frozen heart in ...Chorus:  
Telluride  
The snow fallin' down  
Standin' there alone in that sleepy little town  
In her eyes my world came so alive  
I never will forget that day she said goodbye in ...Repeat Chorus
