

# Preacher Man

## BLO

Well he talks in confusion  
And he faults your point of view  
You talk about his apparition  
And he talks, I hear him laughing at youContamination and radiation  
Let it crawl while the city sleeps  
Your turn to lay for bait for a while  
Now you're melting through your burning fields  
And all my people say ohStop!  
When he talks  
Connected scars reopen  
A thousand fingers  
Reach out for youWe don't feel no contamination  
We don't feel no contamination  
We don't feel no contamination  
We don't feel no contaminationOh keep talking  
You're a hunter, I'm a wolf  
Yeah, keep talking  
I'm the preacher you're a foolContamination and radiation  
Let it crawl while the city sleeps  
Your turn to lay for bait for a while  
Now you're melting through your burning fields  
That's when my people say ohWe don't feel no contamination  
We don't feel no contamination  
We don't feel no contamination  
We don't feel no contaminationWe don't feel no contamination  
We don't feel no contamination  
We don't feel no contamination  
We don't feel no contaminationRadiation, contamination  
Radiation, contamination  
Radiation, contamination  
Radiation
