

Plug Tunin' (Original 12'' Version)

De La Soul

And now for my next number
I'd like to return to the classics
Perhaps the most famous classic
In all the world of music The first time around you didn't quite
Understand our new style of speak
(Don't worry, we can fix that right now)
So, why don't you all just grab your bags?
(Come on aboard, hoist the anchor and we'll be off) Plug one, plug two, plug one, plug two
Plug one, plug two, plug one Answering any other service
Prerogative praised, positively I'm acquitted
Enemies publicly shame my utility
After the battle they admit that I'm with it Simply soothe, will move vinyl like glue
Transistors are never more shown with like
When vocal flow brings it all down in ruin
Due to a clue of a naughty noise called, 'Plug tunin' Flock to the preacher called Pos
Let him be the stir to the style of your stew
Sit while the kid of the plug form aroma
Then grab a daisy to sip your favorite brew Lettin' this soul fire be your first prior
But don't let the kick drum stub your big toe
See that the three will be your thread
But like my man Chuck D said, ?What a brother know? Dance while I play and the cue cards sway
From my flower girls China and Jette
The button is pressed in '89 we'll start the panic
From De La Soul and a prince from stet Negative noise will be all divided
Dangerous to dance, Posdnuos will croon
Ducks and kizids will all be rid
When paying position to the naughty noise called, 'Plug tunin' Plug one, plug two, plug one, plug two
Plug one, plug two, plug one, plug two Freeze, 'cause these are the brothers
Brothers of the soul who present a new flick
Every last viewer is tuned to the method
Known to be a method, no magicians, not a trick Bitten by the spoken who been titled plug two
Swallowed by the loonies who are jealous with the showbiz
Dove'll teach the truth, Posdnuos will preach the youth
To the fact that this will bring an end to the negative Flow to the sway 'cause I say, ?Fa So La Ti?
At the top we will dwell
Difference is fame and we rise then we build
Where we are set we get fat and we swell Motions of the soul is a positive stride
One step forward is the space we consume
Vivid as the moon, you have yet to assume

How the soul found the motto of a naughty noise called, 'Plug tunin'"Vocal is local so believe that
This chant shan't rely on the strong lap
Trying and live so you best realize
That the gift that I present, I say gift wrapStyle of the tune is personal
And defining what's the rhyme is worst of all
Stop, sit and study 'cause the meaning isn't muddy
Just preach and do the gear as the first of allWatch while the pitcher is pitching
'Cause this is the pitch of the year
Sing a simple song but keep the swing strong
Though you heard dove crying 'I ain't fair"Those who think De La's on the flip tip
Try to flip this and you're doomed
Watch for the be be, 'cause if you try to grieve me
You'll be hung by the wire of the plug tuneI can't twist your arm and make you stay with me
(Are you ready for this?)
