Breathe

Bliss

Time for everybody
Listen to the sound
And all the lonely people
Live beneath the ground
Don't listen to another
Just listen to yourself
Only changes can happens
When you change yourself
I want run
I want hide
I only want to live
To live my life

Breathe of pain
I'm the ruler of my world
Breathe in peace
I'm the ruler of the world

I courage of conviction
In everything you do
Course every little action
Only falls on to you
And I don't want excuses
To hear your bitterness
There's far to many people
Who want to give their best
I want run
I want hide
I only want to live
To live my life

Breathe of pain
I'm the ruler of my world
Breathe of pain
I'm the ruler of my world
In this light
In this life
In this love
All come back to you
