

# Buried in Blue

## Drone

Cast off  
We get to go  
Off to open shore  
No one's ever thought of never  
Coming back no more  
Bites us steam  
The engine streams  
The blood holds...  
A journey's till its destiny  
Is going down slow  
Storm clouds rising above  
Deep and dark and black in the sky  
Our lives collide in the rock  
I've seen it in the eyes in the night  
And we play till we drown  
Happy to undesease  
And fainted forever  
Buried in blue  
Break up  
The tide has turned  
The reckon has begun  
The devil...  
Like no matters ever known  
... Of audience enjoyed  
with the symphony of sinking...  
Storm clouds rising above  
Deep and dark and black in the sky  
Our lives collide in the rock  
I've seen it in the eyes in the night  
And we play till we drown  
Happy to undesease  
And fainted forever  
Buried in blue...  
A flame is stuck in blind light  
Gently downwards  
Into the dark  
It bends the frame and creaks  
Tilt neck...  
And we play till we drown

Happy to undesease  
and fainted forever  
Buried in blue
