

Foolish

Alpine

Do you, do you, do you, do you
Do you, do you do you, do you
Will you, will you, will you, will you
Come on, come on, come on home
 Tonight

It's the way that you move into my heart
 It's the way that I move out

 Yeah, ow
 Yeah, ow
You brought too much too much metaphor to the
 Relationship, to what I see
 To how I kiss, yuck
 Yeah, ow
I'm hating what I'm feeling but I'm
 So foolishly attracted to you
 You

Baby you had me doubt all that I knew
 Hey you, can we move on?

 Yeah, ow
 Yeah, ow
You brought too much too much metaphor to the
 Relationship, to what I see
 To how I kiss, yuck
 Yeah, ow
I'm hating what I'm feeling but I'm
 So foolishly attracted to you
 You

 Foolishly attracted
 So foolishly attracted
 So foolishly attracted to you
