The Body You Deserve

HTRK

You've been lied to for years
It's OK
You can know get the body you deserve
The body of your dreamsMelt it up like butter
Melt it up like gasoline
In the body you deserve
The body of your dreamsSo chic, 'cause we're psychic
Touch a higher self
You're a car to hotwire
The body you deserve
You're a car to hotwireYou're a car to hotwire
The body you deserve
You're a car to hotwireSo chic, 'cause we're psychic
Can you touch a higher self?New passport acquired
For the new, blue world
Your first steps outside, with confidence
I've fallen in love
Fallen in love with a new gender
Picture that for a moment
Imagine feeling that way every dayYou're a car to hotwire
The body you deserve
You're a car to hotwire
