

# All About You (feat. Hollyn)

Tauren Wells

I could talk about where I'm from  
Where I've been and what I've done  
But that's not what I'm after  
And I don't want to waste no time  
With small thoughts from my own mind  
'Cause I am not the answer  
It's not about me, it's not about me  
It's about the One who gave it all  
It's not about me, it's not about me  
It's about the One who gave it all  
(Jesus, it's all about You)  
Your name, Your glory  
Your fame, Your story  
It's all about You (Jesus, it's all about You)  
Your name, Your glory  
Your fame, Your story  
It's all about You (Jesus, it's all about You)  
You, You, Jesus, You, You  
I don't want to be number one  
I just want to reflect Your love  
To a world that's breaking  
Help me to move out the way  
Make room for You, clear the stage  
The hope the world is craving  
It's not about me, it's not about me  
It's about the One who gave it all  
(Jesus, it's all about You)  
Your name, Your glory  
Your fame, Your story  
It's all about You (Jesus, it's all about You)  
Your name, Your glory  
Your fame, Your story  
It's all about You (Jesus, it's all about You)  
You, You, Jesus, You, You  
You stepped down from heaven's throne  
And became flesh and bone  
For us Your will surrendered  
For love You were crucified  
From death You were raised to life  
The only King forever  
(Jesus, it's all about You)  
Your name, Your glory  
Your fame, Your story  
It's all about You (Jesus, it's all about You)

Your name, Your glory  
Your fame, Your story  
It's all about You (Jesus, it's all about You)  
You, You, (Your fame) Jesus, You, You (It's all about You)
