

# You're My Girl (Lost Recording #6)

## Mark Diamond

Tell me does he know, you're  
You're laying here with me cause  
Your hearts inside my hand but  
You're too afraid to leap

Tell me does he know the way you look at me.. no

And she said

I, oh I've got to let you go  
I, oh I've got to let you go

Tell me does he write you  
A song called "you're my girl".. no  
Or sing about you every night  
All around this world

Tell me does he hold you  
The way I used to  
Oh no..

I, oh I've got to let you go  
I, oh I've got to let you go

When it's late and you can't fall asleep  
And you've had a little too much to drink  
You give me a call  
You say "I just wanna hear your voice

Please don't hang up the phone"  
You whisper "I might've wrong"  
I said, "darling I'm already gone.."  
Oh no..

I, oh I've got to let you go  
I, oh I've got to let you go  
I, oh I've got to let you go  
I, oh I've got to let you go
