

You Win Again

Bee Gees

I couldn't figure why
You couldn't give me what everybody needs
I shouldn't let you kick me when I'm down
My baby I find out everybody knows that
You've been using me
I'm surprised you
Let me stay around you One day I'm gonna lift the cover
And look inside your heart
We gotta level before we go
And tear this love apart There's no fight you can't fight this battle of love with me
You win again, so little time, we do nothing but compete
There's no life on earth, no other could see me through
You win again, some never try but if anybody can, we can
And I'll be, I'll be following you
Following you, oh girl Oh baby, I shake you from now on
I'm gonna break down your defenses, one by one
I'm gonna hit you from all sides, lay your fortress open wide
Nobody stops this body from taking you You better beware, I swear
I'm gonna be there one day when you fall
I could never let you cast aside
The greatest love of all There's no fight you can't fight this battle of love with me
You win again, so little time, we do nothing but compete
There's no life on earth, no other could see me through
You win again, some never try but if anybody can, we can
And I'll be, I'll be following you
Following you You win again, so little time, we do nothing but compete
There's no life on earth, no other could see me through
You win again, some never try but if anybody can, we can
And I'll be, I'll be following you
Following, following you You win again, so little time, we do nothing but compete
There's no life on earth, no other could see me through
You win again, some never try but if anybody can, we can There's no fight you can't fight this battle of love
with me
You win again, so little time, we do nothing but compete
There's no life on earth, no other could see me through
You win again, some never try but if anybody can, we can There's no fight you can't fight this battle of love
with me
You win again, so little time, we do nothing but compete
