

Here's to the Death of All the Romance

The Dears

You are the only one that I can trust
And all the things I do, I do for us
Forever on my knees is where I'll be
As long as no one sees that's cool with me And its just that simple
So here is to the death
Of all the romance
Cause if we never met
I wouldn't stand a chance
Part of what I am
What Ive become
Youre making me feel good
Youre making me feel young
There is no other way
To sing what ive sung
To you and for you
To you and for you
To you and for you
To you and for you
To you and for you
