

# Penny On the Floor

## The Clarks

There's a penny on the floor and your gone  
The television's on  
Have you found another man to take my place?  
There's a penny on the floor and I'm wise  
I try to see in your eyes  
But all I see is the reflection of my face

There's a penny on the floor and your gone  
I'm trying to right what's wrong  
A stronger man might do it with more grace  
There's a penny on the floor and I'm wise  
I look up to the skies  
I cry and pray and stare out into space

There's a penny on the floor and your standing at the door  
Turn around and say goodbye  
A woman like you comes around just once a life

There's a penny on the floor and I'm strong  
I'll try to carry on  
I realize that no one can take your place  
There's a penny on the floor and I'm fine  
I know it's gonna take some time  
Before I look at you without looking at my own face

A penny on the floor  
I'm tired of the war  
A penny on the track  
Are you coming back?

There's a penny on the floor and it stays  
As a tribute to the days  
That we spent with you  
No one can take them away  
There's a penny on the floor and it stays  
As a tribute to the ways  
That you filled my soul with courage hope and grace

There's a penny on the floor and you're standing at the door  
Turn around and say goodbye

A woman like you comes around just once a life  
There's a penny on the floor and you're standing at the door  
Turn around and say goodbye  
If a woman like you comes around  
It won't bring me down
