

Together Alone

Crowded House

Together alone
above and beneath
we were as close
as anyone can be
now you are gone
far away from me
as is once will always be
together aloneaneî ra maua (here we are together)
e piri tahi nei (in a very close embrace)
e noha tahi nei (being together)
ko maua anake (just us alone)keî runga a Rangi (Rangi the sky-father is above)
ko papa Kai raro (the earth mother is below)
e mau tonu nei (our love for one another)
kia mau tonu ra (is everlasting)Together alone
shallow and deep
holding our breath
paying death no heed
I'm still your friend
when you are in need
as is once will always be
earth and sky
moon and sea
