

Hardly Wait (P.J. Harvey cover)

Placebo

I can hardly wait
I can hardly wait
I can hardly wait
I can hardly wait
It`s been so long
I`ve lost my taste
Say angel come
Say lick my face
Let fall your dress
I`ll play the part
I`ll open this mouth wide
Eat your heart I can hardly wait
I can hardly wait
I can hardly wait
I can hardly wait Lips cracked dry
Tongue blue burst
Say angel come
Say lick my thirst
It`s been so long
I`ve lost my taste
Here Romeo
Make my water`s break In my glass coffin
I`m waiting
In my glass coffin
I`m waiting
