

Not Over Until It's Done

Beres Hammond

Just when you think you've seen it all
And know it all
Surprise, surprise, surprise
Here comes another surprise

Last night I learned my lesson well
It couldn't be clearer
See I thought I was number one
As a true burden bearer
It's customary we meet in the square
Discussing how hard life is to bear
Another brother couldn't wait for us to leave
To spread his bed right there

Cho

I learn that once you have life
There's a chance you'll be able to overcome
Where there's a will, there's a way
It not over until it's done
If you believe, you will achieve
Everything can just turn around
Yeah, yeah, yeah

Last night I learned my lesson well
So I have to tell you
Sometimes the thing we cherish most
Has no real value
So I give thanks for live (yeah, yeah)
Even when there seems to be no one way to the problem, yeah
I still give thanks for life
Ever wishing and hoping that the table will turn

Cho

Now I know that once you have life
There's a chance you'll be able to overcome
Where there's a will, there's a way
It not over until it's done
If you believe, you will achieve
Everything can just turn around

Yeah, yeah, yeah

Last night I learn my lessons well
I learn from all the people
Just seeing the next man's problem
Is enough for me to humble
While you were wondering what suit to wear
A family is worrying haven't a meal to share
So I know I have company, lots of company (yes)

Cho

I learn that once you have life
There's a chance you'll be able to overcome
Where there's a will, there's a way
It not over until it's done
If you believe you will achieve
Everything can just turn around
Yeah , yeah, yeah, oh, oh

Bridge

So I give thank for life, (yeah, yeah)
Even when there seems to be no one way to the problem oh
Still give thanks for life
Ever wishing and hoping that the table will turn

Cho

Cause I know that once you have life
There's a chance you'll be able to overcome
Where there's a will, there's a way
It not over until it's done
If you believe, you will achieve
Everything can just turn around
Yeah, yeah, oh yeah,

Know that once you've go life
There's a chance you'll be able to overcome
Where there's a will there's a way
It not over until it's done
If you believe you will achieve
Everything can just turn ar
