I Never Shall Forget the Day

Iris DeMent

Long years ago when out in sin
I had no hope no peace within
Down on my knees in agony
I prayed to Jesus and He gladly set me freeI never shall forget the day
And all the burdens of my soul were rolled away
It made me happy, be glad and free
I'll sing and shout it, God means everything to meNow I can feel, him at my side
My fewer steps, he comes to guide
When trials come, he comforts me
To faith in him or sin I have a victoryI never shall forget the day
And all the burdens of my soul were rolled away
It made me happy, be glad and free
I'll sing and shout it, God means everything to meOh, sinner come to Jesus now
At His dear feet just humbly bow
Confess to Him your every sin
He'll save and cleanse you, give you peace and joy withinI never shall forget the day
And all the burdens of my soul were rolled away
It made me happy, be glad and free
I'll sing and shout it, God means everything to me
