

# Your Loving Flame

[Paul McCartney](#)

How can I hope  
To reach your love  
Help me to discover  
What it is you're thinking of 'Cause when we kiss  
Nothing feels the same  
I could spend eternity  
Inside your loving flame What am I to do  
If I don't have you  
I'll be feeling blue  
Just sitting here without you You could be the one  
To chase my blues away, away So tell me how  
How to reach your love  
Help me to discover  
What it is you're thinking of 'Cause when we kiss  
Nothing feels the same  
I could spend eternity  
Inside your loving flame What am I to do  
If I don't have you  
Say, I'll be feeling blue  
Just sitting here without you You could be the one  
To chase my blues away, away 'Cause when we kiss  
Nothing feels the same  
I could spend eternity  
Inside your loving flame So tell me how  
How to reach your love  
Help me to discover  
What it is you're thinking of How can I hope to reach your love  
Here forever in your loving flame
