

Hiroshima

Wishful Thinking

There's a shadow of a man at Hiroshima,
Where he passed the moon,
In a wonderland at Hiroshima,
'Neath the oddest moon,

And the world remembers his name,
Remembere the flame was
Hiroshima,
Hiroshima.

Fly metal bird to Hiroshima and away your load,
Speak the magic word to Hiroshima,
Let the sky explode,
And the world remembers his name,

Remembere the flame was
Hiroshima,
Hiroshima
