

# Laurel

## Singleton

Looking for light  
A golden light  
Red red hair  
And almond eyes Searching for love  
A wallet's hot  
The price is right  
It's money for love Looking for light  
A golden light  
With your red red hair  
And almond eyes Laurel you came here Looking for light  
A golden light  
With your red red hair  
Your almond eyes Strange how he's cold  
Behind the smile  
An angry mind  
Don't wait for tonight Lying for lies  
A golden lie  
Your red red hair  
Your almond eyes Laurel you came here  
Laurel came here Fear is a fog  
Rolling in and around Laurel whispers from inside  
Laurel running out of time
