

Right In Time (WXPN Live At The World Cafe)

[Lucinda Williams](#)

Not a day goes by I don't think about you
You left your mark on me it's permanent a tattoo
Pierce the skin and the blood runs through
Oh my baby[Chorus]
The way you move it's right in time
The way you move it's right in time
It's right in time with me I stand over the stove in the kitchen
Watch the water boil and I listen
Turn off the television
Oh my baby[Chorus] I take off my watch and my earrings
My bracelets and everything
Lie on my back and moan at the ceiling
Oh my baby Think about you and that long ride
I bite my nails I get weak inside
Reach over and turn off the light
Oh my baby[Chorus: x2]
