

# Brave (Glee Cast Version)

## Glee Cast

Santana:

You can be amazing

You can turn a phrase into a weapon or a drug

You can be the outcast

Or be the backlash of somebody's lack of love

Or you can start speaking up Rachel:

Nothing's gonna hurt you the way that words do

When they settle 'neath your skin

Kept on the inside and no sunlight

Sometimes a shadow wins

But I wonder what would happen if you Rachel and Santana (Rachel):

Say what you wanna say

And let the words fall out

(Honestly) I wanna see you be brave With what you want to say

And let the words fall out

(Honestly) I wanna see you be brave Rachel and Santana:

I just wanna see you

I just wanna see you

I just wanna see you

I wanna see you be brave I just wanna see you

I just wanna see you

I just wanna see you

I wanna see you be brave Rachel:

Everybody's been there, everybody's been stared down

By the enemy

Fallen for the fear and done some disappearing

Bow down to the mighty Rachel with Santana:

Don't run, stop holding your tongue Santana:

Maybe there's a way out of the cage where you live Santana with Rachel:

Maybe one of these days you can let the light in

Show me how big your brave is Rachel and Santana (Rachel):
