

Anybody Out There?

Motley Crue

Wanna be your dog, wanna be your man
Let's break the speed of sound
'Cause we're goin' way too fast Lookin' for love? Lookin' for a lover?
Let me ask ya
Is there anybody out there? I'm gonna die, you're gonna die
We gotta live for tonight
'Cause we're runnin' out of time Lookin' for a lover?
Let me ask ya
Is anybody out there? Wanna be your dog, wanna be your man
Let's break the speed of sound
'Cause we're goin' way too fast Lookin' for a lover?
Let me ask ya
Anybody out there?
