

# She Said

Cody Longo

Gotta tell you  
Met this girl last night  
She came up to me  
And she said Don't tell me your name, I don't care what it is  
Don't know where you're from, don't care where you live  
Let's cut to the chase, I'm not playing games  
with your heart, babe I'll be just fine if you decline  
I'm not going home alone tonight  
Make up your mind, don't waste my time  
but really, it might as well be you, babe I don't wanna talk about it or hear about it  
I just wanna take you home  
I don't wanna talk about it, no, don't talk about it  
I just wanna take you home Get out of your head 'cause it's time to escape  
We're just having fun, there's love to be made  
Let's cut to the chase, I'm not playing games  
It might as well be you, babe I don't wanna talk about it or hear about  
I just wanna take you home  
I don't wanna talk about it, no, don't talk about it  
I just wanna take you home Baby, now's the time, pull the trigger  
Take my hand and come with me tonight
