

# Araceli

## Nataly Dawn

Araceli was the fairest of them all  
She was born in the month of Gemini.  
To every man who saw her befell  
Cupid's curse.  
Singing oh my, oh my, oh my. Araceli only had eyes for one  
and she lived for her love day and night.  
One day he became ill, so  
she called on the doctor.  
Singing oh my, oh my, oh my. When Araceli's perfect face he  
beheld well the doctor was  
stricken with awe.  
He prayed to Gods that her husband  
might die and upon Mount Olympus  
they conspired.  
When Araceli had discovered the truth,  
that her beauty had damned her true  
love's life, she jumped into the Ladan River  
to absolve her adulterous crime. When she arrived at Hades' door,  
the God of thunder was waiting.  
Zeus said "You're the one I've  
been longing for."  
and she said "You're the one I've  
been hating!"  
Araceli shouted " I've had enough!  
Never once, no not once have I  
defied you! I lived as you command,  
now I'm taking Hades' hand."  
Singing oh good-bye, good-bye.
